REFLECTIONS

REFLECTIONS

REFLECTIONS—The world is a looking-glass, and it gives back to every man the reflection of his own face. Frown at it, and it in turn will look sourly upon you; laugh at it and with it, and it is a jolly, kind companion.

William Makepeace Thackeray

ACTIVITIES

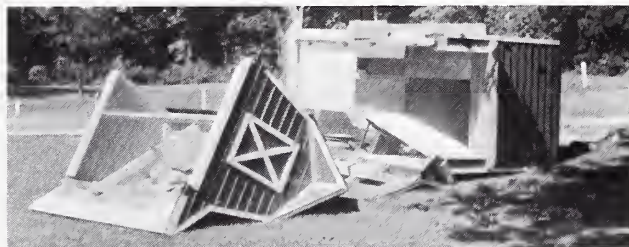

In June 1968 the Senior Class of Judson College stood unified in its final act. A proud class rose to receive that much labored for and well deserved Bachelor of Arts Degree for which we all aspire. This was the end of an era, but the beginning of a lifetime for all the graduates.

... this is the campus where it all took place

The winds came — or did they say it was campus clean-up day?

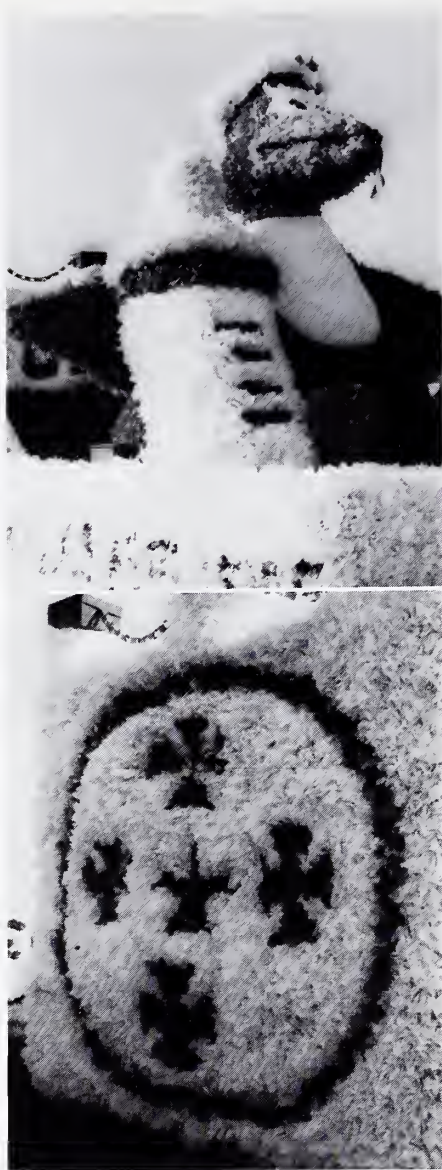

Information Please?

Bottoms up!

Middlers and Seniors call this Upperclassman Day — Freshman call it initiation.

Freshmen Float—Is that a Judson duck?

Homecoming is many things to many people. To some it's just another soccer game, to more it's events that they took part in a year or two ago, and to most it's two weeks of frantic preparation and high hopes. Class competes against class; wood is gathered, committees organized; the cafeteria decorated; floats designed, built and stuffed; king and queen and attendants are voted on; then finally the preparations are over. Even damp, cold, weather can not put out the bonfire or the high hopes it instills. Queen Terry Nofsinger and King Ken Schneider are crowned and, with their court, reign over the game and banquet. The banquet crowns the events and, although Homecoming is over, the competition, cooperation, and hard work of everyone will not soon be forgotten. That is the spirit of Homecoming.

Charles Waugaman, Jerome Hines—Outstanding Metropolitan Opera Star, and Edward Thompson.

Middler Float—Now that's a whale!

The Royal Couple—Queen Terrie Nofsinger and King Ken Schneider.

The Queen's Float—Who said Ding Dong School?

House deck and float awards—Dice, Ammerman, Hunter, Calhoun.

Senior Float—It's a bug-a-boo?

SNOW QUEEN AND COURT—Jill Blachley—1st runner-up, Sandy Wolf—Snow Queen, and Pat Frye—2nd runner-up.

WINTER CARNIVAL

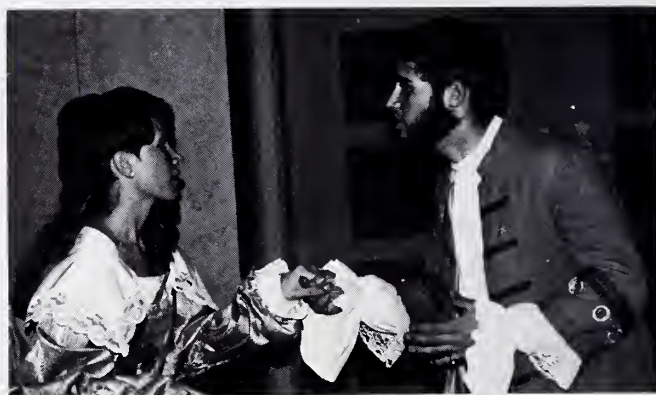

THE MISER— Sandman. Someone's been sleeping in my bed!

ADMINISTRATION

Dr. Benjamin P. Browne

Chancellor

The Middlers and Seniors, who were Freshmen in 1966, remember the days when Dr. Browne was regularly on Judson College Campus. His personality has influenced many of us and still encourages us as we face tomorrow's destiny. Often times he would speak in Chapel and became such a great inspiration to the Freshmen of 1966 that we as a class presented him with a trophy. The inscription on the trophy read, "To Dr. Benjamin P. Browne, Christian, Pioneer, Gentleman, and Scholar, whose vision became a reality for us to share."

Dr. Browne has had a varied background which includes several years as executive secretary of the Pennsylvania Baptist Convention, editor-in-chief of the American Baptist Publication Societies, Board of Education and Publication, and editor of the Baptist Leader. He is the author and editor of a number of books and has served as President of the American Baptist Convention. He has received many degrees and titles but the one we like best is "The Friend of Students".

AND FACULTY

Amos B. Barton

President

"Judson College is a small Christian Liberal Arts College dedicated to the idea that the personal growth of the student is of prime importance in the educational process. If he is to be successful in life's endeavors, he must know what life is, but he must also be strong enough to cope with its problems."
